Assist with fundraising organization and Ideas

Join our Support Crew

Support Crew: This year we are starting something new! We feel that this ministry cannot continue without the support of parents, and having "go to" moms and dads are a huge help when it comes to planning events, dinners, bible studies, etc. Our Support Crew is a group of parents/guardians that "have our backs" when we need support. Being on our support crew by no means requires you to give up your full time job; it is just a way for you to lend a helping hand. Our Support Crew will help in making phone calls about special events, and will also help support parents that are new to high school youth group. Being on our Support Crew will give you the opportunity to be a part of your teen's life as well as this ministry as we continue to lead teens closer to Christ.

A donation of \$60 as a registration fee would be greatly appreciated.

This registration fee helps cover dinners on Sundays, and will also provide a 2011-2012 HSYG T-shirt.

Please make checks payable to St. Joseph Church and return forms to the Church Office.
